Dear Ms. O'Connor:

This letter is regarding to your Freedom of Information Act (FOIA) request of October 23, 2018, regarding: Campaign for Accountability litigation 18-cv-464 (Date Range for Record Search: From 1/20/2017 To 10/23/2018). You submitted your request directly to the Department of Health and Human Services (HHS).

You were recently informed that HHS had submitted 197 pages of records to the Centers for Disease Control and Prevention and Agency for Toxic Substances and Disease Registry (CDC/ATSDR) for our review and direct response to you. We assigned #HQ-REF-19-00002 to this referral.

Upon closer examination, we have determined that CDC is not the appropriate agency to review those pages and we have returned them to HHS for their handling.

You may contact our FOIA Public Liaison at 770-488-6277 for any further assistance and to discuss any aspect of your request. Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001, e-mail at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.
